

TELL THEM TO...

Just Say "NO"!

Join the hundreds of others who have written letters, sent emails, packed meetings, and signed petitions by telling both Manhattan Borough President Stringer and Speaker Quinn that you are strongly opposed to Jamestown's proposal to upzone Chelsea Market in order to add hundreds of thousands of additional square feet of space, including two large new towers at the 9th and 10th Avenue ends of the complex.

This is a clear case of *greed over need!*

Our zoning is vital to the protection of Chelsea's character and is not for sale!

Manhattan Borough President Scott Stringer will be voting on the proposal to upzone and expand the Chelsea Market on July 19th, the proposal next goes before Amanda Burden and the City Planning Commission, and finally to Speaker Quinn and the City Council.

The upzoning and the new construction at Chelsea Market cannot happen unless it is approved by the City Planning Commission and the City Council.
