Hon. Robert Tierney, Chair

New York City Landmarks Preservation Commission

One Centre Street, 9<sup>th</sup> floor New York, NY 10007

Re: Historic District Designation of the South Village

Dear Chair Tierney:

We were thrilled earlier this year when the first phase of the proposed South Village Historic District was landmarked. As you know, this is one of the most historically, architecturally, and culturally rich areas of New York City. It is an area for which advocates have sought landmark status since the 1960's, and which many of us have been working since 2002 on a concerted effort to see landmarked under the leadership of the Greenwich Village Society for Historic Preservation.

However, we were also equally concerned about the remaining two-thirds of the proposed South Village Historic District which the Landmarks Preservation Commission (LPC) has thus far not taken any action on, and about the many sites throughout the South Village which have been compromised or lost prior to movement by the LPC. As you know, numerous significant sites, including the Circle in the Square Theater, Provincetown Playhouse and Apartments, Sullivan Street Playhouse, the Tunnel Garage, and 178 Bleecker Street have all been lost in recent years, and countless houses, stables, tenements, and storefronts have been unsympathetically altered. In spite of the economic downturn the pace of destruction has not abated, and this neighborhood needs the intervention of the LPC as soon as possible.

When the LPC held its first hearing on the first phase of the proposed South Village Historic District in October of 2009, you indicated that action on the remainder of the South Village would soon follow. Almost a year later, we are anxiously awaiting movement by the Commission on this remaining section of the South Village. It would be a shame, not only for our neighborhood but for all of New York, if more of the South Village were lost awaiting the long-overdue and essential protections this historic area needs and deserves.

We look forward to hearing back from you.

Sincerely,

Andrew Berman, Executive Director
