Hon. Scott Stringer  
Manhattan Borough President  
One Centre Street, 19<sup>th</sup> floor  
New York, NY 10007

**Re: NYU 2031 ULURP application**

Dear Borough President Stringer:

We strongly urge you to vote no on the NYU 2031 ULURP application. We believe that the zoning changes, lifting of urban renewal deed restrictions, and taking of public open space requested by NYU is wrong in principle, and the developments which would follow from it would have a terribly detrimental impact.

We believe that there are better alternatives to be considered by the University and the city.

We believe that the best and most appropriate thing would be for the application to be rejected. We hope that you will vote 'NO.'

Sincerely,

Andrew Berman, Executive Director

for Historic Preservation
