RALLY AGAINST NYU'S PROPOSED 400 FT. TALL TOWER on BLEECKER ST. in SILVER TOWERS

NYU has filed a landmarks application for a 400 ft. tall hotel/residential tower on Bleecker Street in the Silver Towers complex – the TALLEST BUILDING EVER ERECTED IN GREENWICH VILLAGE!

They are threatening to build on the adjacent site of the Morton Williams supermarket, in front of the windows of the affordable housing at 505 LaGuardia Place, if they don't get approval to build on the landmarked site. They claim these are their only two options.

BUT NYU IS REFUSING TO CONSIDER SITING THIS AND OTHER ENORMOUS NEW DEVELOPMENTS IN THE FINANCIAL DISTRICT OR OTHER LOCATIONS WHERE THEY WOULD BE WELCOMED.

SEND A MESSAGE TO NYU AND CITY OFFICIALS WHO MUST APPROVE THESE PLANS THAT NEITHER VILLAGE LOCATION IS ACCEPTABLE, AND TO CONSIDER ALTERNATIVE LOCATIONS INSTEAD!
