**Parks Preservation Victory  
Party/Save Our Parks Week Kick-off**

**Saturday, March 15<sup>th</sup>**

**from 1pm – 3pm**

**@ LaGuardia Park (LaGuardia Place  
between W3rd and Bleecker Sts.)**

**Join parks, gardens and open space supporters from throughout the City to celebrate the court victory that saved our local parks (Mercer Playground, LaGuardia Corner Gardens, and LaGuardia Park) from being destroyed, and help kick off “Save Our Parks” Week – Tell City Hall to support our parks! Refreshments provided.**

---

On January 7<sup>th</sup>, Judge Donna Mills vindicated the beliefs of parks advocates and community members by [officially declaring three Greenwich Village parks as City parkland](#), effectively halting redevelopment efforts by NYU that would have stripped the community of this valuable open space. Our parks are precious resources in this City and it is our responsibility to continue to fight for them and make each of our communities the sort of places we wish to live. We need to make sure that City Hall and all of our elected officials hear us!
