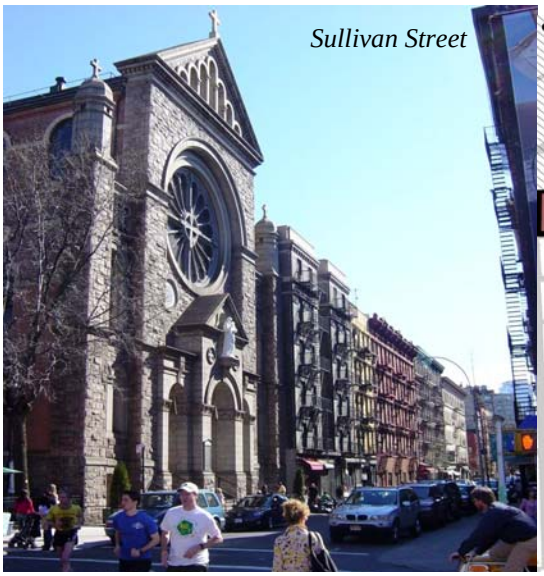
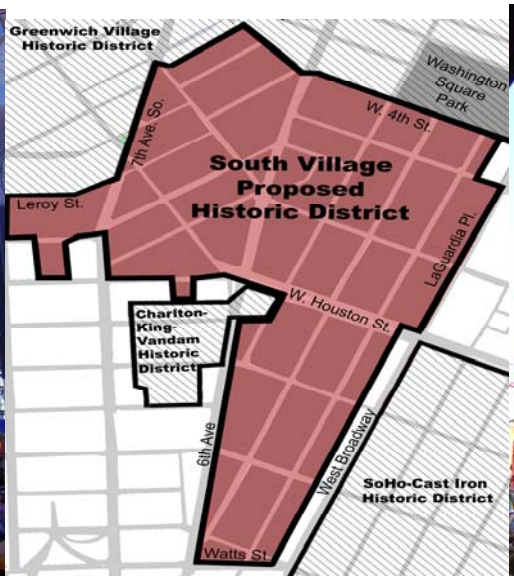
Help Save the SOUTH VILLAGE!





The Greenwich Village Society for Historic Preservation has proposed a "South Village Historic District" to preserve this neighborhood's history, character, and human scale. ***Without such landmark protections, buildings in the South Village can be demolished any time, and replaced with inappropriate, out-of-scale new construction.***

Come to the Community Board #2 Public Hearing on the proposed South Village Historic District

Tuesday, April 24th, at 6:30 pm

Our Lady of Pompeii Church basement hall

Bleecker and Carmine Streets, enter on Bleecker Street
