

# *Hudson Sq. Residents:* Don't Let Our Neighborhood Get ***TRUMPED!***

*Donald Trump and his partners are asking the City to allow high-rise 'condo-hotels' - hotels with units people own and can live in year-round or use as a second home - into manufacturing zones, where residential development is prohibited. This is a way of sneaking around the zoning protections for our neighborhood and neighborhoods like SoHo and Tribeca. If Trump succeeds, it will open up all of our neighborhood west of Hudson, north of Spring, and south of Canal Streets to new high-rises that were not supposed to be allowed.*

## WRITE TO THE CITY NOW

urging them not to allow Trump or other high-rise 'condo-hotels' to sneak into our manufacturing zones where they are prohibited.
